

County of Orange

Allan Browning

WHEREAS, Allan Browning is the Chief Operating Officer (COO) of Vision Quest Integrated Technologies, Inc. located in Tustin. Established in 1994, Vision Quest develops ISO 9000 Total Quality Management (TQM) Systems and provides consulting and technology solutions tailored for small to medium-sized companies; and

WHEREAS, Allan is currently serving as President for the Tustin Chamber of Commerce and will serve as Immediate Past President beginning July 1. His administration focused on enhancing and developing services based on a survey of local business needs, communicating a clear understanding of the value the Chamber brings to the business community, while advocating and communicating the needs of business to local, state, and federal government representatives and the community at large; and

WHEREAS, Allan, a U.S. Marine and member of the Tustin American Legion, is on the Tustin Veterans Parade Committee that is organizing the 3rd Annual Tustin Veterans Day Event to be held in November; and

WHEREAS, whether it's cooking up breakfast for 300 at Benson Elementary School's Starry Night Camp Out or helping with Carnival Set-up, Allan is involved in his son, David's, school. He was recently named "Principal for a Day" at Benson representing the Tustin Chamber of Commerce; and

WHEREAS, Allan can also be seen behind TWCC's booth at the upcoming Concerts in the Park grilling up hamburgers and hot dogs for the group his wife, Sue is involved with. Allan and his wife, Sue, who also works at Vision Quest, live in Tustin, along with their ten-year old son, David;

NOW, THEREFORE BE IT PROCLAIMED THAT SUPERVISOR BILL CAMPBELL does hereby commend Allan Browning for his dedicated service to the City of Tustin and the Tustin Chamber of Commerce, and offers his best wishes for continued success in all future endeavors.

June 26, 2003
